

Heavy Duty LED Work Light

UR-1C001QD60

Specification

Model	: UR-1C001QD60
Power	: 60W
Voltage range	: 9-32V DC
Luminous flux	: 5400LM
Light type	: 6pcs 10W Cree LEDs
IP rating	: IP69K
Material	: PC lens, ADC12 aluminum alloy housing, Quake dampening bracket

With breather filters	: -45°C - +85°C
Operating temperature	: Flood beam 60 degree
Beam	

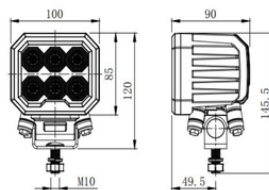

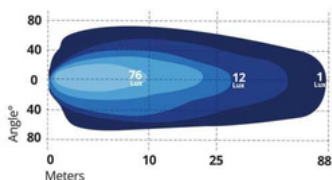

With built-in Deutsch connector	: M10*25(1Pc)
Bolt size	: C15PR 25 - Class 4
EMC/EMI rating	: 5300-5700K
Colour Temperature	: up to 60G
Vibration	

UR-1C001QD60

- **Quake Dampening**
- **Vibration Resistance**

Flood Beam Pattern & Dimension

Application

Mining area, Extreme environment: dusty, humid, Outdoor

Heavy equipment (excavator)

Heavy equipment (dump truck, etc.)
